Preschool Plus

Your children are in the best of care!

After surveying our community, it was evident there was much interest in having an all-day preschool program. We have moved classrooms, painted, purchased new equipment, and hired two excellent teachers.

We are excited to introduce our Preschool Plus teachers,

Jane Jungerman and Tracy Simpson.

Between the two teachers there is experience in teaching early education, primary grades, special education, and counseling.

St. Mary School now offers a program beyond the norm for Preschool children who are enrolled in morning or afternoon classes. Our Preschool Plus program will allow students in pre 3, pre 4, and pre k to remain in school all day. Through a combination of structured learning and free play, our students develop spiritually, socially, physically, cognitively, and emotionally. Our students build friendships and learn self-esteem and respect for themselves and others. This program is geared specifically for Early Childhood and aims to create a loving, safe atmosphere for the entire day so that parents have the opportunity to extend our super preschool environment in a familiar atmosphere. Our program is enrichment to our excellent Preschool curriculum with our preschool teacher,

Joan Miller, and teacher assistant, **Donna Ortman**. We also will continue to be gifted with the helping hands and loving guidance of **Penny Mallo** and **Mary Fritts** in Pre-3, and our grandmas from Tri-County Opportunities, **Grandma Gyrлие** and **Grandma Judy**.

While at "Preschool Plus" students will eat their lunch (provided by family), have a quiet time, have free play, large and small motor play, crafts, computer learning games and other social/educational activities. On nice days students will go outside to play and have the opportunity to play in our gymnasium.

We hope to accommodate your specific needs. Call our school office 815-284-6986 with any questions or to set up an appointment to visit our preschool. St. Mary offers one of the very best preschool programs in the area.

All your children shall be taught by the Lord, and great shall be the peace of your children. Isaiah 54:13
